Americans Did Not Have Many Entries in Finals of the Olympic Games.

London, July 15.-The gold medals went to Great Briain, France and Sweden, as the winners of the finals of today's events at the Olympic games. Great Britain was a double winner, and France and Sweden each secured one first. The United States had to be satisfied with one silver medal, symbolic of second place in the three-nule team race, but the American representation in the various events wa

Close Finish in Swim.

The closest finish of the day was in the first heat of the semi-finals of the 400-me e swimming event, O. Scheff of Austria, winning by the smallest fraction from H. Taylor of England. The second heat of the semi-finals also was a splendid contest. Beaurepaire of Australia having all he could do to keep ahead of Foster of England. These four, Scheff. Taylor, Beaurepaire and Foster, qualified for the final, which will be one of the for the final, which will be one of the big events of tomorrow. From Scheff's time in today's heal, 5 minutes 40 3-5 seconds, which was three and two-fliths seconds faster than that made in the second heat, it looks as though Austria may capture a gold medal.

GENTLEMEN LOSE OUT.

There are certain mineral medicines which will remove the external symptoms of Contagious Blood Poison, and shut the disease up in the system for awhile, but when the treatment is left off the disease will surely eturn. Then the loathsome symptoms of ulcerated mouth and throat, copper-colored spots, falling hair, sores and ulcers, etc., are usually worse because the disease has made rapid progress on the internal members, and weakened the constitution and general health of the sufferer. S. S. S. is the only remedy that can be used with perfect safety in the treatment of Contagious Blood Poison, and with the assurance that a lasting cure will result. This medicine, made entirely of roots and herbs of recognized curative and tonic value, antidotes and destroys the powerful virus of the disease, and by purifying the blood of every particle of the poison and enriching and strengthening the circulation, removes every sypmptom of the trouble. S. S. S. does not hide or cover up the disease in any way, but drives it entirely out from the blood, leaving not the slightest trace for future outbreaks. Both atletes are members of the Irish-American Athletic club and the headquarters of Athletic club, and the headquarters of the organization presented a lively appearance last night. The club house was filled and bulletins on the events were eagerly sought. There was no attempt at any celebration in honor of the victories, this being reserved until the members of the club return to New York. The success of Sheppard was particular-ly well received, as the great miler was known to be pitted against the best dis-tance runners in England, and it was almost conceded that the Britishers would

The new Saltair track kept up its end of the record-breaking stunt that has been changing the figures in two events last night. Once it was the amateurs that turned the trick and then the professionals got away with an old mark and placed the figuers down to a notch where it will take some going to change them.

It was in the two-mile amateur lap race

that the simon pures got out and dug. It was a merry fight all the day for the laps and when the final sprint came

the laps and when the final sprint came Giles showed a clean pair of heels to the bunch and won by a wheel.

In the three-mile professional the record was landed with the aid of pacemakers, Samuelson, Hollister and Demara doing the greatest part of the pulling. This cut out the fight for laps and made a straight procession of the race until the finish. Here the team must have become mixed and when McFarland started to go, with Clarke on, he found himself in a bad place, and in a second Mayer had jumped to the front with only a lap to go. Then Jackie Clarke put up one of the finest sprints of the year and started after the flying Dutchman. Going around the outside, he came along-side of Mayer and then simply outrode him to the tape. Clarke received a great

ovation: Clarke also made a remarkable race in the final of the half-mile handicap pro-fession. Without taking an inch of pace Clarke rode the distance alone and fin-ished second, inches behind West, who had been pulled from one of the upper marks by Achorn. This race showed that Clarke still maintains his old time speed. The summaries:

(Special to The Herald.) Ogden, July 15.-Kid Dalton, who is scheduled for a twenty-round go with "Cyclone" Johnny Thompson at the Utah Hot Springs on July 28, landed in Og-den today and spent the day talking over race. Each runner will carry the mes-sage half a mile. Perhaps the most spec-much of a talker, but says he will hand out the best he produces. He will do his training at the Sanitarium in Salt Lake, commencing tomorrow morning. Thompson arrived here on the Los Angeles Limited last night from his Illinois home and will start in working out at the Hot Springs tomorrow morning. Johnny said he was not worried as to the outcome of the match and that he expected no trouble in pulling down the long end of the purse.
